

CALL FOR PAPERS

University of Economics, Prague (Czech Republic)
and

Johannes Kepler University of Linz (Austria)

have the pleasure to invite you to submit papers to the

“Digital Transformation in Economy, Business, Society and Technology“

held in **Kutná Hora**, Czech Republic

September 4th – 6th, 2019 (Wed-Fri)

During the 26 years of its history IDIMT conferences have established themselves as a truly interdisciplinary and international forum for the exchange of concepts and visions in the area of complex and/or software intensive systems, their engineering, management and application based on management of information and knowledge, systemic thinking, business engineering, and related topics. The increasing impact of the trend to digital transformation of all aspect of economy and personal life based on digital information as a vital resource requires the consideration of synergies in an interdisciplinary and holistic cooperation of numerous disciplines such as business management, business and process innovation, systems engineering, information engineering, sociology, human factors, and education.

The proceedings are published in the “Informatik” series of the “Universitätsverlag Rudolf Trauner, Linz, Austria” with an ISBN-number, available before the conference opens.

The proceeding book is **indexed** since 2004 **in Web of Knowledge** and since 2012 also in **Scopus**, best paper are offered publication in “**Information**” journal.
