

IDIMT 2022

www.idimt.org

CALL FOR PAPERS

University of Economics, Prague (Czech Republic)
and
Johannes Kepler University of Linz (Austria)

have the pleasure to invite you to submit papers to the
30th Interdisciplinary Information Management Talks
on
**“Digitalization of Society, Business and Management
in a Pandemic”**

held in **Prague**, Czech Republic
September 7th – 9th, 2022 (Wed-Fri)

During the almost 30 years of their history, IDIMT conferences have established themselves as a truly interdisciplinary and international forum for the exchange of concepts, visions and experience in the area of complex and/or software intensive systems, their impact, their engineering, management and application based on management of information and knowledge, systemic thinking, business engineering, and related topics. The increasing impact of digital transformation of all aspect of economy and personal life as a vital resource requires the consideration of synergies in an interdisciplinary and holistic cooperation of numerous disciplines such as business management, business and process innovation, systems engineering, information engineering, sociology, human factors, and education.

IDIMT involves a multi-national, multidisciplinary audience in discussing these up-to-date and evolving topics and issues.

The proceedings are published in the “Informatik” series of the “Universitätsverlag Rudolf Trauner, Linz, Austria” with an ISBN-number, available before the conference opens.

The proceeding book is *indexed* since 2004 *in Web of Knowledge* and since 2012 also in *Scopus*, best paper are offered publication in “*Information*” journal.

Exposure, Resilience and Future**

PAPER SUBMISSION

Papers are to be submitted and reviewed in on-line conference management system
EasyChair.org
<http://www.easychair.org/conferences/?conf=idimt2022>

Submitted papers are reviewed by at least two independent reviewers, performed immediately after submission. Change requests and comments will be returned to the author(s). Based on this feedback submitters may resubmit an improved version once. Final acceptance is subject to fulfilling the reviewer's suggestions and demands.

The proceedings are published in the "Informatik" series of the "Universitätsverlag Rudolf Trauner, Linz, Austria" with an ISBN-number and DOI-identification for the individual papers, available before the conference opens.

An e-book version will also be available

IBAN: CZ21 0800 0000 0000 0182 8782 **SWIFT:** GIBACZPX

VENUE

Prague is the capital of the Czech Republic located at the heart of Central Europe. Well connected by train to other capitals (Berlin, Bratislava, Vienna) with busy international Václav Havel airport. Prague is famous UNESCO heritage list destination with well-preserved castles, Baroque and Gothic cathedrals, medieval squares, dreamy bridges, nightlife spots, and a lively arts scene. It's known for its centuries of history and cultural heritage, where the medieval heart of Europe can be felt in its cobblestone streets.

Prague University of Economics and Business is a triple crown accredited Economics and business-oriented public university. It is the largest university in the field of economics, business, and information technology in the Czech Republic, with 14 000 students across its bachelors, masters, doctoral, and MBA programs. It is considered the best business school in Czech Republic and one of the best in Central and Eastern Europe.

Accommodation capacities in Prague are more than sufficient. We recommend conference participants accommodation in the city centre or in Prague 3. The university is located between these areas. Updated tips for accommodation will be published on the conference website.
